Renovate BRAC Facility

Contract Number:	VA249-15-C-0091
Client:	Department of Veterans Affairs
Location:	Huntington VAMC, West Virginia
Cost:	\$7,501,225
Award Date:	04-20-2015
Completed:	12-15-2017
VA POC:	Jason Kinchen (625) 225-6506

This complex project included demolition, new construction, and site work on the 5-acres surrounding this newly acquired property. Our work began with the demolition and removal of some of the existing structures.

New construction included steel framing to connect the two existing structures; a new elevator shaft; mechanical, plumbing, electrical utilities work; asbestos remediation; interior walls; interior finishing; paint; drainage repair and grading of the surrounding site. New walkways and roads were also constructed.
